### All Visitors Welcome!

Brothers,

It is my intention that we should have a meal before every stated communication. It is also welcome and expected that you invite any friends whom you think may be interested in meeting, sharing a meal, and discovering more about Freemasonry. We need to share the goodness that the fraternity fosters, and enlighten the uninformed about what good men are doing within our community.

This lodge is your lodge, and your friends are welcome— bring them to dinner.

-Jay Troy, WM

*BEEEEEE Industrious. Come out and help the lodge, come out and BEEEE a participant. We are working to get some activities going. Come offer to help. Get out to local community events as a group, have some fun, and show our presence!!*

### Help Share Our Message!

### Happy Holidays, Brothers!

### Be a Stranger Others Can Depend On.

The Yuletide—Thanksgiving, Christmas, and New Years, all celebrating the rebirth of spirit and offering a well-deserved reward for a year of hard work. A powerful season for everyone to enjoy. Hopefully, you have all been able to enjoy it the way I have.

We spend time with our families and friends, eat way too much, and often times get on each others nerves. But without those family and friends, times can be bleak, and lonely.

As Masons, we have a whole set of friends that are organized around the craft. The craft should never feel like a burden, and if it does, we are doing something wrong. This feeling drives members away, and does nothing to attract new members. Let's spend 2019 as a year where we are focused on doing fun things that include our brothers, and make the lodge a place where men want to be and share with their non-Mason friends—which will attract new members. To spend time in other pursuits to attract members is folly.

### Fun Fact

A triangle is the most stable physical shape. It has three sides. Three is the first number to which the meaning "all" was given. It is The Triad, being the number of the whole as it contains the beginning, a middle and an end. The power of three is universal and is the tripartite nature of the world as heaven, earth, and waters. It is human as body, soul and spirit. A normal human spine has 33 vertebrae.

It is said that that of Faith, Hope, and Charity, Charity is the greatest, because Charity extends beyond the grave, through the boundless realms of eternity. Let this be something you think about as you travel throughout your life. What little thing can you do, that someone will remember years from now?

Several of our brothers from District 1, regularly and for almost 30 years, have been contributing their time to feeding the poor and in-need in Wilmington on Saturday mornings. They feed on average 200 hungry men, women, and children every Saturday morning before 9am. **And you can help.** These people depend on the kindness of strangers. Our brothers are those strangers every week.

*If you aren't sure  
how you can help, ask!*

Remember this is your lodge.

So Mote It Be!

*Jay Troy, Worshipful Master*
